The main goal of most organizations whose mission is to reduce the causes and the consequences of road crashes is Vision Zero. There are many paths leading to this goal. However, it is important that the strategy is right.

FEVR President Jeannot Mersch and Vice President Robert Štaba are attending the final SafetyCube conference in Vienna, 22nd and 23rd March 2018 <https://www.safetycube-project.eu/safetycube-final-conference-vienna-march-2018/> in Vienna.
