Warmest thoughts and best wishes for a wonderful Christmas and a Happy New Year from all of us from FEVR. We wish you a happy and safe New Year 2019!

It was another amazing year for FEVR. When we look back on 2018, we don't think of it as a year of pain but a year of growth. Now we're better despite all the hardships. Let's take a deep breath and enter in 2019 with hope and confidence.

On behalf of FEVR's team - Thank you and see you in 2019!
